Subject: Additional comments for Forestry - Riparian
Attachments: Coded Public Comments - combined for Forestry - Riparian.xlsx

Allison,

Attached is a spreadsheet with the "Forestry-Riparian" Review Team's combined comments. Our additions appear in green, purple, and blue. You will see our initials in column "A" . I also believe there might be some additions in yellow but I am not certain. You may want to compare the yellow highlights with the original. I do know that "55-O" was one of my additions and I colored it yellow but I am not sure about the other yellows.

Give me a call if you have any questions.

Alan
